

Give Flight Application

Chapter #: _____ Chapter City/State/Province: _____

Project Leader Name: _____ EAA # _____

Phone: _____ E-mail _____ # of chapter members: _____

Is your chapter recognized by the IRS as a 501(c)(3) charitable entity? Yes No

Preferred wings you would be willing to build. Rank order 1 to 5 your preferred wings. Place an X in the box if you are not interested in that wing kit.

Rans S-19 Sonex (any model) Van's RV-12 Zenith CH 750 Cruiser Zenith CH 650

Why does your chapter want a set of wings (in other words, why should the selection committee pick your chapter)?

Has this project been approved by your Chapter? Yes No

Where will your chapter build the project?

Has your chapter ever built an aircraft before? Yes No

If yes, please share some details about the project including what type of aircraft and what the chapter did with it after completion.

Do you currently have the funds to complete the project? Yes No

If no, how does your chapter plan to raise the funds to complete the project?

Since chapters cannot operate aircraft or own airworthy aircraft, what is the plan for the finished aircraft?

Do you believe your chapter could complete the project in time for it to fly to AirVenture 2017?

If so, would you commit to having the ultimate owner of the aircraft bring it to AirVenture 2017?

If your chapter is selected, would any members help with the building during AirVenture 2015?

Other information that might help the selection committee:

In order for a chapter to be considered for a set of wings, please complete the following application and **submit it to Charlie Becker at cbecker@eaa.org by May 15th, 2015.**
